

# HTET AUNG LWIN

Front-End Developer

Yangon, Myanmar | [htetaunglwin.canon@gmail.com](mailto:htetaunglwin.canon@gmail.com) | +95 9 264 982 456

<https://htetaunglwinportfolio.netlify.app/>

## Summary

---

Front-end Developer with expertise in React and Tailwind CSS, skilled in building responsive, user-friendly interfaces. Strong understanding of state management, component-based architecture, and API integration. A collaborative developer who can work with designers and engineers.

## Projects Experience

---

### Randomly | *News Website*

**Tech Stack:** React, Tailwind CSS, Node.js, Render, Netlify

<https://github.com/HtetAungLw1n/Randomly.git>

- Built a responsive news website where users can explore real-time articles.
- Optimized API data fetching with React Loaders & Actions, reducing load times and improving user experience.
- Added authentication for visitors and admins, with full CRUD functionality for articles.

### MSM | *Mini Social Media Website*

**Tech Stack:** HTML, Tailwind CSS, PHP, MySQL

<https://github.com/HtetAungLw1n/mini-social-media.git>

- Created a simple social media site where users can post, comment, and search content.
- Designed a secure authentication and user account management (profile photo, changing account name or password) with PHP & MySQL.

### Taiju | *Link Collection Website*

**Tech Stack:** React, Tailwind CSS, Firebase

<https://github.com/HtetAungLw1n/Taiju.git>

- Built a link collection app with Firebase authentication & real-time database.
- Used React Router & React Hook to update UI instantly with new user data.

### Medi-Cart | *Online Shopping Cart Website*

**Tech Stack:** React, Tailwind CSS

<https://github.com/HtetAungLw1n/medi-cart.git>

- Built an interactive e-commerce cart system with React Context API & useReducer.
- Enabled dynamic pricing, total amount & search functionality for quick product discovery.

## Work Experience

---

### Self-employed Freelance Content Creator

ACE-Gaming | 2019 - 2024

- Grew an audience of 900K+ by optimizing user engagement strategies, content design, and analytics.
- Developed digital assets (thumbnails, infographics) using Photoshop and Illustrator.
- Led content strategy, audience engagement, and brand collaborations, including sponsorships and influencer partnerships.

### Talent Star

Tier One Entertainment | 2020 - 2022

- Represented as an official talent star as content creator under Tier One Entertainment, a leading gaming and esports talent agency.
- Produced high-quality gaming content, including live streams, video highlights, and educational guides.
- Collaborated with fellow creators, brands, and esports organizations for promotional campaigns and events.
